

A woman with long brown hair, wearing a white halter-neck top, a long blue skirt with white polka dots, a yellow wide-brimmed hat, and brown sandals, stands on a wide set of stone steps. She is holding a small woven basket. The background shows a narrow street lined with multi-story buildings in warm tones (yellow, orange, red) with colorful window shutters and balconies. The sky is clear blue.

THE MALTESE ISLANDS

Of the four islands that comprise the Maltese archipelago, only Malta, Gozo and Comino are inhabited, Filfla is not. The archipelago lies virtually in the centre of the Mediterranean Sea, with Malta 93kms south of Sicily and 288kms north of Africa. Gibraltar is 1,826kms to the west and Beirut 1,928kms to the east.

The islands cover an area of 316sqkms (Malta 246, Gozo 67 and Comino 2.7) and had an estimated population of 525,285 at the end of 2021.

Gozo

Gozo is smaller than its sister island Malta and has a character quite distinct from it. The island is more rustic and quieter.

The countryside is greener and more spectacular. Flat-topped hills characterise the Gozitan landscape; its coast has rugged cliffs penetrated by steep valleys and picturesque bays.

Gozo is 14.5kms long and 7.2kms at its widest point; its perimeter is 43kms long.

Victoria, the island's capital, is dominated by its Citadel (*left*).

Mgarr is Gozo's principal port.

This image of the Maltese islands — captured by the Copernicus Sentinel-2B satellite — is one of the first set of images delivered via Alphasat, which is in geostationary orbit 36,000kms above Earth.

The image is a result of the two satellites using their optical communication instruments to transfer data via laser for fast delivery.

Comino

Comino is the smallest inhabited island in the archipelago. Neither cars nor any other noisy activity disturbs the peace of this picturesque little paradise.

The island's many bays and its crystal-clear waters, like its famed Blue Lagoon, make it the perfect choice for most kinds of water sports, especially snorkelling and diving.

Malta

The longest distance on the island of Malta, from the south-east to the north-west, is some 27kms; its widest point, on an east-west axis, is 14.5kms.

Malta has neither mountains nor rivers, but a series of low hills with terraced fields on their slopes.

Malta's coastline is well indented with harbours, bays, creeks, a few sandy beaches and rocky coves. The island has a 137kms long shoreline.

Valletta, Europe's fourth smallest capital, stands on Mount Sciberras and is flanked by the Grand Harbour and Marsamxett Harbour.

GENERAL INFORMATION

Accommodation — The Maltese islands offer varied accommodation in hotels, tourist villages — well, there's just one — guest houses, hostels and self-catering farmhouses, villas and apartments. These are classified by the Malta Tourism Authority (MTA) according to internationally accepted standards and must exhibit their certificate confirming their designated classification.

To date, the MTA has no separate classification for boutique hotels — those properties that have 30 rooms or less.

Airlines — **Air Malta** is the national carrier. It operates a fleet of Airbus A319 and A320 aircraft and, in normal times, flies to most European capitals and major cities on the continent and North Africa. Visit www.airmalta.com for bookings, the airline's route network and timetable.

Malta Air is a low-cost carrier set up in June 2019. It is a joint venture between Ireland's Ryanair and the Maltese government, and was due to start operating to 66 destinations from summer 2020 with a fleet of Boeing B-737s-800s. However, since the outbreak of the pandemic, its route network has been revised. Go to www.ryanair.com/mt for its route network and schedule.

Other airlines fly scheduled and charter services to Malta. (Go to www.maltairport.com/passenger/flights-landing/arrivals-departures for flight schedules.)

Baby requisites — All well-known brands of milk formulae, nappies, medicines and other baby products are available from chemists and supermarkets.

Beaches — There are several sandy beaches, especially in the north of Malta; the most popular are Mellieha Bay, Gnejna Bay, Golden Bay, Ghajn Tuffieha, Paradise Bay and the perched beach in Qawra. St George's Bay is the only sandy beach in the Sliema-St Julian's area.

Comino has two sandy beaches — Sta Marija Bay and St Niklaw Bay.

In Gozo, Ramla Bay stands out for its beautiful red sand. Rock bathing is possible at almost all other beach sites. (See *Beaches on the islands below*.)

Charge and credit card — Most hotels, restaurants and shops accept the more internationally popular credit, charge and prepaid debit cards, including those issued by digital banking companies.

Some retail outlets may charge a commission if paying with a credit card, while others may not accept 'plastic' if the sale is less than a set amount.

Chemists — There are chemists in all towns and villages; these are open during normal shopping hours.

On Sundays, chemists open on a roster basis from 09:00 to 12:30 in Malta and from 07:30 to 11:00 in Gozo. Check Sunday newspapers or go to www.pharmacy.com.mt/roster.

Climate — Malta's climate is influenced by the sea and is typically Mediterranean. Winters are mild, with rare occurrences of cold weather brought by northerly and north-easterly winds from central Europe.

Summers are hot, dry and very sunny. Sea breezes often cool daytime temperatures, but in spring and autumn a very hot wind from Africa occasionally brings unpleasantly high temperatures. This is the *sciocco*, which also affects Greece and Italy; in Malta, the air is usually drier because of the short sea track from the African coast.

Annual rainfall is low and the length of the dry season in summer is longer than in southern Italy. The islands have a very sunny climate with a daily average of five to six hours of sunshine in mid-winter and more than 12 hours a day in summer.

Cuisine — Italian cooking heavily influences the islands' cuisine, although most restaurants also serve continental dishes.

Local specialities include stewed rabbit, the national dish; *bragjoli* (beef olives); *timpana* (baked macaroni) and *torta tal-lampuki* (dorado pie).

BEACHES ON THE ISLANDS

Which Beach (www.whichbeach.com.mt) helps you locate the perfect beach on any given day.

The national snack is the *pastizzi*, a small boat-shaped pastry filled with either ricotta cheese or mushy peas.

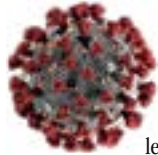

Currency — The unit of currency is the euro, that Malta adopted on 1 January 2008.

The 100, 200 and 500 euro notes are rarely used.

Driving — As in many Commonwealth countries, driving in Malta is on the left. There is a speed limit of 80kph (50mph) on highways and 50kph (30mph) in urban areas, although actual limits are usually lower, normally between 60kph (37mph) and 70kph (44mph).

Electricity — The electrical supply is 240 volts, single phase, 50 cycles. The 13-ampere, three-pin rectangular sockets are used in Malta.

Entry regulations — Malta joined the Schengen system on 21 December 2007 and adheres to that convention's regulations. For details on entry into Malta from outside the EU, go to the Foreign Ministry's web page at www.foreignandeu.gov.mt/en/Pages/Travel-Advice.aspx.

COVID-19 — Although the Schengen system applies for travel to the islands, emergency regulations are in place for the foreseeable future because of the pandemic.

Certain restrictions may apply, depending on whether the traveller is arriving from a country that is included on the Green, Amber, Red or Dark Red list, as outlined here:

Green list — Travellers from Green list safe countries do not require a swab test on arrival in Malta. There is only one thermal screening at the airport and persons arriving are asked to complete a self-declaration form requesting information on their travels in the previous 30 days. Specifically, they will have to confirm that they have not travelled anywhere beyond the safe countries listed.

Amber list — Passengers arriving from countries on the Amber list are required to submit a negative COVID-19 PCR test certificate before boarding flights to Malta. The swab test should be carried out no more than 72 hours before travel. For increased security, random swab tests may be conducted on arrival in Malta.

Red list — All countries not included on the Green or Amber lists are automatically included on the Red list. Passengers arriving from these countries must have spent at least the previous 14 days in one of the safe corridor countries before reaching Malta. These passengers should also have a PCR test within 72 hours before arrival.

Dark Red list — Countries on the Dark Red List are banned from entering Malta. Travel authorisation is required and is only granted in exceptional circumstances. Passengers arriving from any of these countries must quarantine for 14 days.

More information is available on the Malta Tourism Authority's site, www.visitmalta.com/en/covid-19, on the Ministry of Health's portal: deputyprimeminister.gov.mt/en/health-promotion/covid-19/Pages/travel.aspx and from the Schengen Visa Info page at www.schengenvisainfo.com/news/travelling-to-malta-amid-covid-19-rules-restrictions-explained.

Ferries — The **Gozo Channel Company** operates daily Ro-Ro services from Cirkewwa in Malta to Mgarr in Gozo. For schedules, visit www.gozochannel.com/ferry/schedule/.

Gozo Fast Ferries operates a high-speed catamaran service between Lascaris Wharf Terminal in Valletta's Grand Harbour and Gozo's Mgarr terminal. For schedules, go to www.gozofastferry.com.

The **Comino Ferries Co-Op** (www.cominoferries.com) operates a passenger-only shuttle from Cirkewwa to the Blue Lagoon in Comino.

Valletta Ferry Services (www.vallettaferry.com/schedule.pdf) runs a passenger-only ferries from Sliema to Valletta and from Valletta to Vittoriosa.

Ponte Ferries (www.ponteferries.com) began operating a regular passenger and vehicle catamaran service between Malta and Augusta, in eastern Sicily, in November 2021.

Virtu Ferries (www.virtuferries.com) operates a high speed, passenger and vehicle catamaran service between Malta and Pozzallo, in southern Sicily.

Flight enquiries — Call 52302000. Schedules are also available online at www.maltairport.com/passenger/flights-landing/arrivals-departures.

Health — Vaccination certificates are not required to enter the country. However, cholera vaccination certificates are required if arriving from an infected area. Yellow fever immunisation is needed if arriving within six days of leaving an infected area (see *Entry regulations* regarding entry during the COVID-19 pandemic).

Language — Maltese and English are the official languages of Malta. Maltese is a Semitic language similar to Levantine Arabic and written in the Roman script; the alphabet comprises 30 characters — 24 consonants and six vowels.

Maltese also includes many words of Italian, French and English origin.

Religion — The majority of Maltese are Roman Catholic. There are small Anglican, Church of Scotland, Greek Catholic and Orthodox, Jewish and Muslim communities.

There is an urban myth that says there are 365 churches on the islands; however, according to the Diocesan Curia, there are only 359 — 313 in Malta and 46 in Gozo.

Restaurants — There are more than 2,400 eateries on the islands. The majority are modest, but there are also some fine restaurants that serve ethnic, continental and fad cuisines.

Time — Malta is on Central European Time, one hour ahead of Greenwich Mean Time in winter and two hours from the last Sunday in

March until the last Sunday in October.

Tipping — Taxi drivers do not expect a tip, but 10 per cent of the fare is customary; restaurants — unless a service charge has been added to the bill — 10 per cent. Car park attendants expect to be tipped; the amount given is at one's discretion.

Water — Tap water is safe to drink, but may have an unpleasant taste and is hard.

The Maltese islands are the ideal getaway for a romantic break

ACCOMMODATION DEFINITIONS

Boutique hotel — there is no precise definition of what a boutique hotel is, but it is accepted that it should have no more than 30 rooms and should be independent or be part of a 'boutique-only' chain. It should have a city centre location and feature designer décor and offer a personal touch to every guest.

Guest house — a guest house must be in a building or part of a building with an independent entrance.

Rooms must have appropriate furniture and furnishings; however, sanitary facilities must be provided in the ratio of at least one bath/shower for every 10 persons or one bath/shower per floor.

Leahmid Rivien Hotel & Spa

All accommodations are classified by the Malta Tourism Authority

Hostel — means any building in which accommodation, ancillary services and amenities of a basic standard are provided for the public by a common management.

Hotel — a hotel means any building or interconnected buildings in which accommodation, ancillary services and amenities are provided for the public by professional management.

Accommodation is in rooms and/or suites and may also include self-catering units.

Tourist village — a tourist village must firstly meet the main definition of a hotel. A tourist village must be installed within an extensive and single land area and designed in such a way so as not to exceed the height of a three-storey building.

Tourist village accommodation must be provided in self-catering units or a mix of hotel type rooms. It must have a common entrance and reception, and provide opportunities for sports, recreation and other outdoor activities.

CLASSIFICATION CRITERIA

Boutique hotels are not classified as a separate category by the Malta Tourism Authority. In the directory they are listed under this grouping with their MTA classification also included.

Guest houses and **hostels** are classified as 'comfort' — denoting the highest grade — and 'standard', the lowest grade.

Hotels are classified from five to two star. **Tourist villages** are classified as two, three or four star.

Five star — fully air-conditioned accommodation; all rooms must have a private bath and shower, a telephone, a radio and TV set; 24-hour room service; a bar, restaurant and a coffee shop; a lounge area; dancing facilities; a swimming pool and sports facilities; the front office must be manned 24-hours; it must also offer a laundry, ironing and dry-cleaning service and have shops and a hairdresser.

Four star — fully air-conditioned accommodation; all rooms must have a private bath or shower, an 'internal or external' telephone and radio; room service from breakfast to midnight; a bar, a restaurant and a lounge; a swimming pool or a private beach; the front office must be manned 24-hours; it must also offer a laundry, pressing and dry-cleaning service and have shops and a hairdresser.

Three star — all rooms must have a private bath or shower and an 'internal or external' telephone; a bar, a restaurant and a lounge; the front office must be manned on a 24-hour basis; it must also offer a laundry, pressing and dry-cleaning.

Two star — all rooms must have a bath or shower; moreover, all rooms must have a wash-hand basin and a mirror plus an inter-telephone or similar facility; breakfast facilities must be available; the front office must be manned during the day and at night a porter service must be available.

Rubazza Consiglio

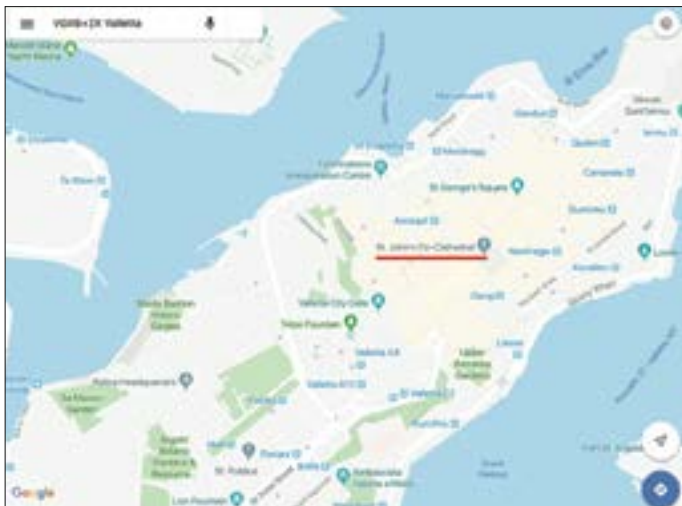

ECO CERTIFICATION

Eco certification is the national scheme for ensuring the environmental, socio-economic and cultural sustainability of hotels on the Maltese islands, and has been

recognised by the Global Sustainable Tourism Council as fully reflecting the GSTC criteria. The scheme was launched by the MTA in 2002; its criteria were updated in 2008, 2012 and in 2019.

Audits are carried out biannually to ensure that requirements are met. Eco certified hotels may exhibit the appropriate logo (*left*).

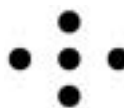

Enter VGX6+2X Valletta in Google Maps for directions to St John's Co-Cathedral

GOOGLE PLUS CODES

Google plus codes work just like street addresses. When an address isn't available, or is too long, you can use a plus code to find or share a place on Google Maps.

A plus code combines two elements; a code of six or seven letters and numbers and the name of the locality.

By way of an example, this is the code for St John's Co-Cathedral in Valletta: VGX6+2X Valletta. The plus code symbol is ⋮.

To find a location using plus codes, open Google Maps on a tablet, computer or smartphone. At the top, tap the search box and

enter the plus code.

QR CODES

In the directory you will see Quick Response (QR) codes alongside entries and on some advertisements — these contain a link to an advertiser's website.

Codes can be read by most smartphone cameras or with a QR code reader. These apps may be downloaded from the App Store for iPhones or Google Play for Android devices — and most are free.

After downloading and installing the app, launch it and point your smartphone's camera at the QR code. The app will scan the code and direct you to the relevant website.

(Scan this QR code to discover treasures of Malta. It will give you access to several online exhibits such the story of the Great Siege of 1565, how Malta helped thwart Napoleon plus many more.)

Hotel name and address — entries are listed alphabetically with their address, Google Plus code and telephone numbers plus their e-mail, internet addresses and Facebook link (for advertisers).

Location and certification — the following terminology is used to describe locations:
 Town — built up area, some distance from the sea
 Town/seaside — built up area with the sea and/or beach within easy walking distance
 Seaside — facing the sea or a beach
 Beach — on or very close to a beach
 Countryside — rural area.

If a property closes in winter, this is shown by the entry marked **WC** and the period of closure.

The  symbol denotes that the property is Eco Certified.

Facilities — the first entry shows the number of letting bedrooms, suites, no smoking rooms — denoted by the  symbol - and apartments available. The abbreviations **CI** and **CO** are used for a property's check-in and check-out times. The second line shows the availability of timeshare and the number of units dedicated to vacation ownership. The rest is self-explanatory. With regards facilities for the disabled, the information has been supplied by the hotel's management and it is advisable to check before booking.

Category — each entry is prefixed by the property's star rating; five stars being the highest and two stars the lowest. The official classification of boutique hotels is shown in the property's listing. Guest houses and hostels are rated as 'comfort' or 'standard'.

Island — the name of the island on which the property is located, colour coded for quick identification.
 Malta
 Gozo

Naming convention

Names are sequenced alphabetically by proper noun; for example, AX The Palace is listed under the letter 'P'. Prefixes, such as 'il' and 'the' are ignored

Abbreviations and symbols used

⋮: Google Plus code, ☎ = Telephone, ✉ = E-mail, 🌐 = Web site,

f = Facebook page link, **Ac/Cb** = Air-conditioned/centrally heated, **CCA** = Credit and charge cards accepted, **CI** = Check-in time, **CO** = Check-out time, **TMS** = The name by which the timeshare operation is known as, **TSU** = The number of timeshare units available, **WC** = Winter closure

1926
HOTEL & SPA

Our hotel is inspired by the life and passions of one man and featuring a touch of the roaring twenties, 1926 Hotel & Spa offers luxurious rooms and suites. The amalgamation of the concepts of lean luxury and wellness make up the foundation on which 1926 Hotel & Spa was built. This includes uncomplicated comfort and great sleep, Rensse boutique Spa & wellness centre, including an aquatonic pool, sauna, steam room, tepidarium beds, four treatment rooms and a fitness area. Each room, as well as the common areas, will also make use of local aromatherapy products in order to permeate wellness throughout the hotel.

In addition, 1926 Hotel & Spa will also operate sustainably through smart design technology, including access control, energy management and SuitePad technology, therefore, eliminating the need for plastic and paper.

DOLMEN
HOTEL - MALTA

The 4 star Dolmen Hotel in Malta enjoys beautiful sea views and is only a short walk from the Malta National Aquarium, Bugibba Square and minutes away from the towns of St. Julian's and Malta's Capital City of Valletta.

A relaxed and friendly atmosphere combined with excellent facilities make the hotel a perfect choice whether you are a family looking for a hotel in Malta, a single business traveller or a couple looking for a romantic Mediterranean holiday. The hotel also offers a Multi- Storey car park with 400 car spaces.

Discover the warmth of traditional Maltese hospitality, the flavours of authentic cuisine and the excitement of the Mediterranean. Experience the vacation you deserve with the Dolmen Hotel Malta.
